Hebron Historic Survey- metadata

Contents: Each folder we received is described below. Each number is a separated sheaf of papers clipped together.

Folder 1of 5

1. Narrative 3pp w/description of the survey goals and people who took part.
2. Index, 12pp, alphabetical by last name of current (1974) owner, survey # and street
3. Bridges, 3pp, 2 copies*
4. Town of Hebron Cemeteries 3pp, typed descriptions and numbers dated 1999 (there are cemeteries in the original document, this appears to be an update on the numbers and condition of each.
5. Pack 1, 71pp, with site name and description 1-31, accompanying map of localities of structures and cemeteries (numbered differently from item 4 above). These pages are all descriptions of the cemeteries, along with photos (poor quality).
6. Pack 2 , 27pp, site name and description sheet # 1-31, map of 1-31, these appear to be a historic marker locality (3 copies), map of Hebron Dams and Mills, Map of Cheese Factories, Map of Indian Sites and Trails, Map of Schools with District Numbers, Map of Stone Buildings, Map of Churches, Map of Military Sites and Trails, Map of General Stores, Map of Log Cabina, Map of Greek Revival Buildings with Columns, Map of Brick Buildings, Map of Central Chimney Homes, Map of Homes on the Underground RR, Map of Toll Gates and Stage Stops.
7. Single page undated newspaper article about the burning of the then restored Albert Lepper home on Route 30.

Folder 1 Scanned:

1 & 2 (above) are labeled “Front Material”
3-7 (above) are labeled “Bridges, Cemeteries, etc”
Note: some maps had writing at the bottom which would not fit on one page. In that case the scan continues on the next page.

Folder 2 of 5, Building Structure Inventory Forms 1-76

8. Pack 3, 13pp, #1-13
9. Sheet: Historic Resources Survey Missing Pages: Penciled in is #Hebron-T-002-01-02.
10. Pack 4, 29pp, (BSIFs), #14-36.

11. Pack 5, 27pp, (BSIFs), #37-56. Associated with number 37 and the Chamberlain Mills group is a map of 6 houses, a grist mill, and a charcoal plant "Hebron Valley Products Corporation".
12. Pack 6, 30pp, (BSIFs), #57-76.

Folder 2 Scan entitled "Inventories 1 to 76"

Folder 3 of 5

13. Pack 7, 25pp, (BSIFs), #77-100.
14. Pack 8, 26pp, #101-124.
15. Pack 9, 26pp, #125-149.
16. Pack 10, 24pp, #150-172.

Folder 3 Scan entitled "Inventories 77 to 172"

Folder 4 of 5

17. Pack 11, #173-196.
18. Pack 12, # 197-221
19. Pack 13, #222-245.
20. Pack 14, #246-270.
21. Pack 15, #271-290

Folder 5 of 5

22. Pack 16, #291-314.
23. Pack 17, #315-335.
24. Pack 18, #336-379
25. 3 pages at the end of Pack 24, lists missing pages as 380-385, but has a very dark photocopy of 386 (Darrow Farm) and a written description of the Hebron Valley Grange Hall.

*One copy apparently for HPS that we never got, the other for the TownP Clerk.
